MINUTES:

The minutes from the February 1, 2007 meeting were approved as amended.

REVIEW PROPOSED LOCAL AMENDMENT FOR SALT LAKE CITY CORPORATION SECTION: APPENDIX C

Tim Collings and Orion Goff from Salt Lake City spoke to the committee in connection with this proposal. William Birkes spoke on behalf of DEQ and pointed out that in Section R156-56-707(62) under C201.1 the reference should be changed from R317 to R317-401. Kiran Bhayani pointed out that the words “as specified in Rule R317-10 as amended” should be added to the end of the sentence in R156-56-707(62) C101.1 number 2 and also that the word “plan” should be changed to “plant” in the same section. During the discussion, Dan Jones recommended the wording that could be used for the local amendment as follows: “Salt Lake City adopts Appendix C of the IPC as specified and amended in R156-56-707(60),(61), and (62) as a local amendment.” It was also noted that the local health department having jurisdiction has to obtain approval from the Utah Water Quality Board before permitting a graywater system for the outside of a commercial building in their area.

Following the discussion by those present, a motion was made by Kiran Bhayani to approve the local amendment for Salt Lake City with the wording recommended by Dan Jones and also the corrections noted. The motion was seconded by Nathan Lunstad and passed unanimously.

The meeting adjourned at 9:30.
